## PROFESSIONAL PROJECTS

### SHRADDHA INTERIORS (02/2021 - 03/2021)

- I took charge of the UI development for our project, using React and Material-UI. I designed and implemented user-friendly components, ensuring a consistent look and feel. My work involved creating a responsive layout for diverse devices, customizing styles to match our branding, and prioritizing accessibility for a wider user base. I collaborated closely with the design team to bring their vision to life, contributing to a polished and intuitive user interface.

### ceat.com (06/2021 - 12/2021)

- worked on the UI part of this project.

### Edelwiess Tokio Life Insurance (12/2021 - 01/2022)

- Worked on the UI part of the tracker form. Which helps to track the history of the insured person.

### IDFC FIRST Bank (02/2022 - 05/2022)

- worked on the optimization of the IDFC website in AEM(Adobe Experience Manager). Removing unwanted clientlibs, policies, JS and third-party libraries is part of this optimization
